## The 10 Realities of Corporate Life

Do you know and have what it takes to be successful in your job? Did your last review reflect what you believe to be true about your performance and promotability? In this session, corporate executive Keith Wyche shares the realities of getting ahead in today's tough corporate environment. You'll gain "insider information" about what he and his C-Suite colleagues expect from their employees. It is time to realize that life is not fair; you must embrace change and take personal responsibility of your career path.

By attending, you will be able to:

- Track and define your performance as well as practice techniques for gaining exposure and enhancing your perception.
- Model the major success factors you must master for achieving corporate success.
- Create a personal career "blue print" with specific actionable "to do" items.

### **Ideal Audience:**

- Employees who want to improve their performance, prepare for their next role and take control of their career path.
